Holiday Home Camp on Lake Geneva

October 8, 9, 10, 2010

VOLUNTEER OPPORTUNITIES

Join the fun at RYLA by volunteering

Weekend chaperones attend RYLA for the entire weekend. Duties include:

- Being assigned to participate in the OWLS program with one of the 8-10 groups
- Working at the Reality Store on Saturday night
- Helping keep an eye on the students during free time and after curfew in the dorms

All meals and a bed will be provided. If possible, we would like the weekend chaperones to ride the buses as chaperones also.

Bus Greeters monitor the bus pick up and drop off locations to check the students in and make sure they get picked up at the end of the weekend.

Reality Store volunteers will need to arrive Saturday afternoon about 3pm for training – dinner will be provided. You will be assigned one of the Reality Store jobs to help guide the students through a financial journey and will work from 7pm until the exercise is over between 9pm & 10pm. It would be well worth arriving earlier than 3pm so that you have a chance to observe the activities of the students during the OWLS program.

To volunteer, just check one of the jobs below:

_____ Weekend Chaperone

_____ Bus Greeter

Reality Store volunteer options

_____ Transportation

_____ Housing

_____ Insurance

_____ Utilities
