Missing Platter...

...FROM THE PROGRESSIVE DINNER...Mike Meier took a Villeroy & Boch platter with appetizers to Roger's house; Mike left early to host, and left it there. Apparently somebody mistakenly took it home, and Mike would really like to have it back - it's not a Wal-Mart item. Please let Mike know if you have it. He won't be at the meeting today, but will be glad to come and pick it up sometime next week. It has colored rectangles around the rim and of course, "Villeroy & Boch" on the bottom. Thanks
