Early Race Results...

The weather couldn't have been better!. The Rotary Race numbers are still being counted, but so far we had approximately 2000 participants, raised over \$200,000 and created another fantastic year of goodwill toward our community. Race chair, Greg Donnelly congratulates all Rotarians for a job well done, and thanks all of you for your time, talent and treasure. We were saddened that Jerry couldn't join us, but are glad to hear he is recovering well.

District Dictionary Project...

Plans have been in the works for a while and substantial details were rolled out at a recent meeting. The District is hoping all clubs will help the children with this "feel good" project. More details and more meetings will be held. The District has hit the ground running and there is no time to waste. Contact Co-chairs Andy Horberg or Brian Andersen for more information and to volunteer yourself. This could be a great membership tool! The District has a lot of books to deliver and you may know someone who would really love to be involved in this. Put your thinking caps on! Andy can be reached at, 312-377-1771 or andrew@ahorberglaw.com.
