Medical Equipment Grant.

We now have a District account for the project. Two deposits have been

On his way to our meeting last Friday, Tim Walker didn't know it, but he would be giving his classification talk that day. He came through in flying colors. Tim expressed his strong family values and shared most of his illustrious career with us. Most of his work has been for non-profit organizations including youth service projects, the American Friends Service Committee, and The Lighthouse Center for Economic Progress. His experience as a Bouncer and a pool hall manager, strengthened his understanding of human behavior, especially at resolving conflicts. Don't mess with Tim!

made: Orland Park and Moraine Valley. The ultrasound equipment was ordered. The neonatal ventilator will be ordered soon. We are looking at July 12 as the formal presentation of the equipment to the hospital during Indian Days. All of you are invited to be there when it happens. The date is not final yet so don't make reservations. Any questions please ask **Chuck Snyder**.
