BusNet launched...

Rotary District 6450 now has a way to advertise your business in print and the web. BusNet Clients place their ad on the Rotary District 6450 Website. Included in the subscription are 2 listings in the District Newsletter. Additionally, clients have the satisfaction of knowing that the money they pay goes toward Youth Programs in District 6450 exclusively. Paul Harris started Rotary because he wanted to meet his business associates on a social basis. In order to reduce competitive tensions in the club, membership was restricted to only one member for each classification. He intended for business people to work with each other before going to a non-member. Check Page 8 of last newsletter. An application form for BusNet can be obtained on the district web site. Send your completed application and a check for sixty dollars to the address on the form.

Pictured here with District Governor Michael Slevnik, Rotary International President Dong Kurn Lee stressed that a diverse Rotary is a strong Rotary during a visit to the Rotary Club of Chicago on 1 July.

Attention New Officers...

Rotary International offers many resources to help club officers understand their roles and responsibilities and help their club achieve its goals. Effective clubs are able to

- * Sustain or increase their membership base
 - * Implement successful service projects that address the needs of their community and communities in other countries
 - * Support The Rotary Foundation through both financial contributions and program participation
 - * Developing leaders capable of serving in Rotary beyond the club level.
